## **Spectator Parking**

All Spectator Parking will be off-site with a short walk to the stadium. Some reserved ADA spots will be available at the stadium.

## **Contest Format**

Our contest format is as follows.

There are three performance options and you will choose one option on the registration form.

1. Perform in competition for a score, placement and a chance to qualify for finals
2. Perform for a rating only
3. Perform for comments only

A Prelims/Finals format will be used. Preliminary performance order will be determined by the Final results of both the previous year State Championship. Bands will be grouped in blocks of six with a blind draw for performance times.

Finalist performance times will be determined by reverse order of preliminary scores. The 1A, 2A, and 3A class champions will automatically be placed in the first three finalist slots, unless their scores warrant a different placement. Finalist performance times will be announced, and will be posted, upon completion, at the main stadium gate.

Invitational organizers may make selected schedule adjustments to accommodate long-distance travel requirements.

## **Recording**

Each band will receive an SD recording of their performance; finalist bands will receive a second recording of their finals performance.

## **Check-In and Field Access**

Band check-in will be at prelim arrival only at a location to be announced; field access and parking information will be provided via Band Director's packets.

## **Copyrights**

CBA guidelines for copyright must be followed. Copyright laws are the responsibility of each performing band. All bands must have submitted the CBA Copyright Report to the CBA Marching Chairman and have the report approved. Approval process includes submitting all copyright permissions and proof of permission to perform from arrangers. Bands will not be allowed to perform without an approved CBA Copyright Report.

## **Spiels**

Field Entrance and Exit Spiels (CBA Entry Form) must be received by September 9, 2022.

## **Awards**

### **Prelims Awards**

Awards will not be given at the conclusion of prelims but participation certificates will be given for bands that do not qualify for finals.

### **Finals Awards**

All bands compete in one open class

Awards will be given based on Judges' overall aggregate scoring

First, Second and Third Place

High Music, High Visual, and High Effect Awards

## **Extra Information**

- Power will be provided at the fifty (50) yard line; however, bands should be prepared with a generator if the stadium outlet is not available due to power outage.
- No dressing facilities will be provided.
- Concessions will be available for purchase.
- Littleton Schools Stadium is a regulation-sized football stadium. Numbered markers will be placed every ten (10) yards. All contest/performance rules and regulations will follow the most recent CBA Rulebook which is available at [www.cbamarching.com](http://www.cbamarching.com).
- Band buses, equipment trucks, and food trucks ONLY will be permitted to park on site, as directed by the parking coordinator. Drivers must follow instructions for parking or they may be asked to leave.
